Willard/Sherwood Master Plan

Meeting Kick-Off September 14th

Work begins on the joint master plan for the Willard and Sherwood Center sites on September 14th. An agreement between the City and the County was signed which provides for a joint project through the first step of a "master plan conceptual study". The County has contracted with Lemay Erickson Willcox Architects to complete this phase of the project. The master plan options will include the following considerations:

- Allow the Willard, Jorgenson Lab and Sherwood Center sites to be considered as one campus with no parcel boundaries.
- Allow for proposed programs to be located on City or County property for most efficient layouts.
- In at least one layout, allow for expansion/connection between the Willard and the Sherwood Center, with required separation between uses.
- Allow shared campus parking with surface parking or structured parking.
- All improved ingress/egress throughout the sites.

The deliverables include:

- Preliminary master plan conceptual layouts (three options)
- Final master plan conceptual design

Dog Park Design to Begin

On September 5th City Council gave direction to staff to begin design of a dog park at the Westmore School site. Staff will be contracting with a consultant to design the park to include a minor site plan, erosion and sediment control, stormwater and landscaping plans. The schedule will call for PRAB to review the design drafts. In addition public comment will be taken throughout the design and a work session will be scheduled with City Council prior to a public hearing for approval.

SHERWOOD, CAMP & COMMUNITY PROGRAMS

Sherwood Center -Fall Programming 2017

Fall programming began on Mon. August 28th with the first day of school. The Sherwood Afterschool Program has 14 students from Daniels Run Elementary school this year. Over 60 preschoolers will join us this fall for programs including Little School, Little School Twos and Spanish Immersion Preschool. Open houses were held Aug 30th-Sept 1st and classes begin the week of Sept. 4th. Other new programming this fall includes expanded Private Music Lesson offerings, Abrakadoodle Art, new dance classes, and a Teen Life Skills Program. There will also be School Days Off programming on Sept. 22 (teacher workshop day) including a fall trip to a local farm, Tiny Chef's Superhero Adventure, Lego Adventure Camp CFTC's Drama Camp.

REMEMBERING A GREAT SUMMER

What a fun travel summer for the seniors! Trips continued to be a popular draw for seniors this summer! Destinations this summer included: Shenandoah Apple Blossom Festival, Lavender Farms, St Michaels on the eastern shore, Kennedy Center shows, Woodlawn tea, shows at Wolf trap, museums, historic tour of the Naval Academy, Nationals baseball game, and solving the mysteries of the Escape Room.

Over 70 seniors enjoyed our 4th of July party filled with laughter, good food and inactive entertainment.

Our free *Lunch and Learn* seminars offered folks opportunities to learn computers, mobile devices, dancing, exercise, creative art and more this summer.

Van Dyck Master Plan

Council Presentation on 9/26

The Van Dyck Master Plan draft will be presented to the Mayor and Council on September 26th. The final touches are being placed on the draft including cost estimating, phasing options and financing options. The sketch to the right shows a refined parking plan that incorporated comments from the community and council to try and connect the two parking lots and minimize the amount of parking at the front door of the park.

Outdoor Pickleball Courts!

Two outdoor pickleball courts were added at Green Acres on the multi-purpose courts this summer to the delight of the seniors. Now people can play outdoors when the weather is nice. In addition, an enclosure was added, as a scout project, for the pickleball equipment.
