Van Dyck Master Plan Adopted on June 26th

City Council adopted the Van Dyck Master Plan on June 26th unanimously. The next step will be to discuss funding of the master plan with an eye on a park bond in 2020.

Dog Park Update

With the unanimous approval of the dog park, the plans are being reviewed by the Community Development and Planning Department. Approval is expected within a week or two. Staff is meeting with a contractor who will do the grading and stormwater elements of the plan later this summer with a goal of a fall opening.

George Snyder Trail Update

City staff has selected a firm and is working on a scope of work and pricing for the engineering and design plan. The cost proposal will need to be reviewed by VDOT and then approved by City Council at the September 11th meeting.

Proffer Funding Update

There are several sources of parks and recreation related proffer money that still have balances remaining. They are:

Boulevard Marketplace—\$39,000, can be used for any parks related project

Jaguar/Yorktown—\$50,000, must be used for Pat Rodio Park

Layton Hall—\$35,000, must be used for Van Dyck Park (we will be replacing the tennis court fencing, installing new light banks, and repairing the surfacing)

NOVUS/Gateway—\$100,000, still to be collected upon City Council approval of project. Must be used for Westmore community

INDEPENDENCE DAY CELEBRATION

The 52nd Annual Independence Day Celebration Committee was held as scheduled on Wednesday, July 4th. There were some concerns of heat however we had the large turnout at both the parade and evening show. Channel 4 did a live shoot from OTS from 5am-7am.

The parade was very successful with a fabulous flyover. All balloons, marching bands, and floats were able to go through the parade. A list of the parade winners can be found on the website www.fairfaxva.gov/july4.

Superhero Fest was a huge hit with long lines of fans wanting to meet their favorite hero.

The Evening Show and fireworks went on as planned as scheduled at Fairfax High School. We made some adjustments to the set-up which worked well. The Fireworks went off on scheduled. The inflatables were in full use until 9 p.m. The Rockets played from 6-7pm and the City Band was able to play from 7:05-7:55pm. The Rockets then came back to play from 8:30-9:15 and 9:45 to 10:30. They were a huge hit with the crowd.
