Comments on Projected Fund Balance - All Funds

General Fund:

The City projects balanced budgets in the adopted FY 2024 budget, which is largely the result of revenues generated by the improvements in Real Estate values, Personal Property Tax, Local Sales & Use Tax, BPOL and Meals Tax. Surplus unassigned fund balance in the amount of \$2,800,549 will be used in FY 2024 to balance the General Fund budget. The result is a projected ending fund balance for June 30, 2024 of \$25.4M (15.2% of General Fund revenues).

Water & Wastewater Funds:

In FY 2008 and FY 2011, the City financed \$5.0M and \$24.0M respectively in bond financing for water and wastewater capital projects. The debt financing was structured to meet the City's water and wastewater capital needs and help grow cash reserves to industry recommended levels. After the sale of the City's water treatment plant and related assets to Loudoun Water in January 2014, the remaining balance due on the 2008 financing was paid off with a portion of the resulting proceeds. The remaining balance on the 2011 financing was refinanced and transferred to the Wastewater Fund as a revenue bond, supported by the cash flows of the Wastewater Fund.

In concert with the City's financial advisors, annual wastewater rate increases are recommended for the foreseeable future. As such, the FY 2023 adopted budget included a 6% rate increase and the FY 2024 adopted budget includes a 6% rate increase for the Wastewater Fund. The Wastewater Fund rate increase is necessary due to additional costs associated with the City's mandated portion of capital improvements at the Noman M. Cole Jr., Pollution Control Plant (wastewater treatment facility) and improvement projects for the collection system as well as the other capital and operating costs.

City of Fairfax water customers became retail water customers of Fairfax Water in January 2014 when the City bought into Fairfax Water's system and sold its water utility assets to Fairfax Water and Loudoun Water; the City's Water Utility effectively ceased operations at that time and was not included in the FY 2016 budget and thereafter.

Transit Fund:

This fund maintains a minimal cash balance. The transit system operates at a deficit, requiring transfers from the State and the Transportation Tax Fund.

Stormwater Utility Fund:

The Stormwater Utility Fund began January 1, 2022 yet received a six month deferral to effect July 1, 2022, and is supported by customer fees that are based on the amount of impervious surface on each parcel. It replaced the previous Stormwater Fund which was supported by a dedication of the real estate tax rate (\$0.03 in FY 2022).

The FY 2024 adopted budget recommends expenditures of \$4.6M for improvements relating to stormwater infrastructure and a fee increase of 6.0%; estimated annual bill increase to be \$8.64/yr. based on five billable units.

Comments on Projected Fund Balance - All Funds (continued)

Old Town Fund:

This fund was established to finance services and City initiated commercial projects in the Old Town District. The City Council established the Old Town Service District (OTSD) in 2000 which levies special assessment taxes against properties located in Old Town Fairfax. The original sunset date for the Old Town Service District was June 30, 2020; in May 2020 the City Council extended the special assessment to June 30, 2040. The FY 2024 adopted budget sets the OTSD rate at 4¢ per \$100 of assessed value (same level as FY 2023).

Transportation Tax Fund:

The City Council established the Transportation Tax Fund as part of the FY 2010 Adopted Budget, which levied an additional 8¢ per \$100 of assessed value on all commercial and industrial properties, located in the City of Fairfax. During the FY 2011 budget process, this rate was reduced by 2.5¢ from 8¢ to 5.5¢ per \$100 of assessed value. The rate increased to 7.5¢ per \$100 of assessed value for FY 2016, to 9.5¢ per \$100 of assessed value for FY 2017, 10.5¢ per \$100 of assessed value for FY 2018, 11.5¢ per \$100 of assessed value for FY 2019 and 12.5¢ of assessed value for FY 2020 (maximum allowed by state). For FY 2024 the adopted rate remains 12.5¢ per \$100 of assessed value. All residential properties including apartment buildings are excluded from this tax. By approving HB 3202 and HB 2479 the General Assembly authorized Northern Virginia Transportation Authority (NVTA) members to raise revenue, by enacting a local ordinance levying the additional commercial tax. The revenue collected by the jurisdiction imposing this tax and any fund balance carried forward is to be used solely for transportation projects.

HB 2313, as amended by the Governor went into effect July 1, 2013. The bill contains statewide and regional revenue components that provides roughly \$840 million annually for transportation funding, as well as a regional component for Northern Virginia which provides another \$300 - \$350 million annually.

The additional revenue generated for Northern Virginia results from the state imposing an additional state sales tax of 0.7%, \$20 million in state transportation funding, funding generated by taxes from users of I-81 and an additional state recordation fee equal to \$0.10 per \$100 of the value of the real property for which the deed, instrument, or writing is being recorded. The additional revenues are deposited into a Northern Virginia Transportation Authority Fund, with 30% of the funds being distributed to the member localities for use on transportation projects, and the remainder to be used for regional transportation projects. The 30% allocation will be distributed to the individual localities provided that locality imposes its commercial/industrial tax at the maximum rate of 12.5¢ per \$100 of assessed value (or dedicated an equal amount of revenue from an alternate source). In general, the revenue allocated to each jurisdiction may be used for (1) transportation projects which increase capacity and (2) costs related to transit (i.e. CUE expenses).

American Rescue Plan Act (ARPA):

The American Rescue Plan Act (ARPA) of 2021 is a \$1.9 trillion economic stimulus bill signed into law on March 11, 2021 in response to the COVID-19 pandemic. ARPA funding includes \$350 billion in assistance to state and local governments. Payments to local governments were scheduled to be made in two tranches. The first half was paid shortly after ARPA was enacted (June/July 2021) and the second half the following year. The City received a total of \$29.6 million (\$24.8 million from the state and \$4.8 million directly from the US Treasury) in ARPA funding. The first half of about \$14.8 million was received in July 2021 and the second half was received in July 2022.
